1 Continuing Education Credit

### **Course Cost**

The course is free to take; however, there will be an administrative certificate processing fee.

### **Program Release Date**

October 20, 2015

## Instructor Biography

Professional experience and education for each of our trainers is located on the PsychArmor Learning Management System online. Please visit <https://psycharmor.org/trainers/> for more information.

## Place

PsychArmor Learning Management System Online

## Target Audience

This course is intended for social workers, psychologists, marriage and family therapists, counselors and other mental health professionals working with Service members and Veterans.

## Course Level

Intermediate

## Outcomes/Objectives

Following completion of this educational activity, learners should be able to:

1. Define and describe what constitutes a TBI
2. Describe the three different severity levels of TBI
3. Recognize and assess the symptoms associated with a TBI
4. List and describe at least two treatment strategies for individuals with TBI

## Registration/Participation in Activity Procedures

1. Length of course: 1 hour
2. Review program schedule
3. Register for course on PsychArmor's learning management system
4. Attend and participate in 100% of program activity and evaluation

## Statement of Participation

A certificate of completion will be awarded to participants and accreditation records will be on file at PsychArmor. In order to receive a certificate of completion from PsychArmor, you must register in PsychArmor's learning management system, attend 100% of the program, complete the quiz, and the evaluation. To inquire about CEs contact [support@psycharmor.org](mailto:support@psycharmor.org) and provide your name, email, and license number.

## Report Training

It is the program participant's responsibility to ensure that this training is documented in the appropriate location according to their locally prescribed process.

## Program Schedule

- Traumatic Brain Injury
- Quiz
- Feedback
